This course will be conducted by experienced Memphis area beekeepers who are members of the local and state beekeeping associations. These presenters, collectively, have many years of beekeeping experience, and will provide a first class opportunity for you to get started in beekeeping.

Those attending the course will receive beekeeping catalogues, hands-on instruction, and a chance to win a beekeepers beginners kit, including a complete bee hive, bees, bee veil, smoker, bee gloves, etc. Two hive kits will be awarded to Tennessee Residents, and two hives will be awarded at large for the Tri State Area. Certain requirements will need to be met for receiving a hive kit. A lunch and refreshments will be provided.
